EUROPEAN FEDERATION OF RADIO OPERATED MODEL AUTOMOBILES

Regarding the enclosed forms and other information.

PLEASE DON'T MAKE ANY CHANGES IN THE FORMAT, COLOURS, FONTS, ETC.

When you make a proposal try to be as precise as possible.

- Always point out which rule in the handbook you reference to.
- When you make a proposal please write the exact wording as it should be written in the handbook. Type the complete rule and ***highlight the amendment/change with bold cursive text.***
- Don't use wording like: I think we (EFRA) should discuss etc. ... If you have remarks like that please use the form "Items for general discussion".
- Never use handwriting (it's almost impossible to guess what you actually mean) I prefer if you:
 - 1 *Send your proposal by E-mail, I really would appreciate that.*
 - 2 *If possible, please don't use the fax. It is sometimes very difficult to read the writings and I want to avoid sources for misunderstandings.*
 - 3 ***Only send 1 (one) official set of documents per country/associated member***

Applications to host European Championship or Grand Prix

Please provide full details of venue such as date, Town, Club name, track address, pictures of the area, hotel and camping accommodations together with charges to be paid, details of facilities etc. ***(Please read EFRA 3.2.2 very carefully)***. All this information will make it easier for the member countries when they ask their drivers if they wish to participate at your requested events.

Instructions for the EFRA proposal tool:

In a separate mail you will get your access code and password.

This tool is also helpful as a search engine.

When you fill in the proposals online, do not forget to send me your:

- I application events
- I federation report
- I committee positions

Please take your time to read the instructions, enclosed in the package.

This year we will evaluate this tool, we prefer that you use it, but you still can send in proposals by mail, like you did in the past, if you want.
