ELECTRIC TRACK MATTER

26 February 2005

Dear All

Because of difficulties to combine his voluntary tasks within EFRA and his Professional employment has Mr Mike Haswell decided to resign from his duties as the EFRA Electric Track Chairman with immediate effect.

Until a final solution has been settled will the day to day matter of this section be handled on interim bases by the EFRA Electric Buggy Section Chairman Mr Frank Mostrey with some "backup" from me.

Note also that according to a new rule (App. 3 rule 12.1 Bodies) accepted at the EFRA AGM 2004 all Touring Car body shells should be submitted to the EFRA Body Homologation Officer Mr Gerhard Binder for approval. Mr Binder is also in charge of the homologation of bodies for 1/8 & 1/10 IC Track.

Yours Sincerely

E Dallas Mathiesen
President, EFRA
