## EUROPEAN FEDERATION OF RADIO OPERATED MODEL AUTOMOBILES

Zwijndrecht, 17<sup>th</sup> of July 2006

Dear Sir, Dear Madam,

My apologies for disturbing you during the holidays.

But, I would like to point out a few things.

As you probably already know the first EC 1/10th 200mm IC Track for B licenses will take place in May 2007 in Belgium.

You will receive more information about this race at the end of August, so you can inform your drivers in time. At the AGM you will have to give up your allocation places for this race.

The EC 1/10 A 200mm IC Track of next year will take place in Spain (Madrid).

Furthermore the applications for the organisation of the World Championship 2008, 1/10th 200mm IC Track, have to be submitted before the August 31 to the EFRA secretary.

The EFRA AGM will only treat the applications where all the details filled in Please provide full details of venue such as date, Town, Club name, track address, pictures of the area, hotel and camping accommodations together with charges to be paid, details of facilities etc. *(Please read EFRA 3.2.2 very carefully)*. All the rest will be ignored.

You can also submit your candidature for the organisation of the EC 1/10th B 200mm IC Track for 2008.

There will be no EC A in 2008 because the world championship will be organised in Europe.

I wish you a nice holiday and hope to see you somewhere in the world.

Kind Regards,

Franky Noens  
EFRA Chairman 1/10<sup>th</sup> IC Track
