## Location

The event will be held in Córdoba city, witch it is located at 800 km., from Buenos Aires, capital of Argentina.

Córdoba is one of the most important cities of our country; it is second tourist destination because it is surrounded by mountains and lakes, has the capability to receive people from all over the world.

They have an international airport complete renewal that receives flights direct from Europe and United State.

The hotels accommodations are from 3 to 5 stars; there are many rental cars companies, also other forms of transportations like buses and cabs.

The track is located inside the complex Ferial Córdoba at only 15 to 25 minutes from many of the hotels in the list that we are supplied.

The complex Ferial organize important national and international events, one o them is the World Championship this race have the entrance of more than 1.000.000 people.

Were the track is located is the head quarters of the teams.

We count with the support of the City Hall and Secretary of tourism of Córdoba.
