## EUROPEAN FEDERATION OF RADIO OPERATED MODEL AUTOMOBILES

Carlos Gomez, C/ Lezeaga, 8 - 6º D, 48002 BILBAO, Spain

Bilbao, Monday, 14 January 2008

Dear all:

It has been reported to EFRA from the Greek association ELME that the venue for the next European Championships A is under deep investigation.

Consequently, in order to protect the drivers and all participants in the event, I, as Section Chairman, after consultation with the Greek association recommend all interested parties not to book travelling at least until 31 January 2008.

This recommendation is also suitable for the EFRA Grand Prix of May.

As soon as possible and for sure before the end of the month, I will come back with definitive news.

I will like to thank the efforts from the Greek association ELME, and their officials in order to ensure the EC 2008 A.

Sincerely yours

Carlos Gomez
