### Cancel the Rule clarification 1/10<sup>th</sup> IC Track section

**Dear Friends,**

***The rule clarification of the 7 minute heat mandatory fuel stop has caused some commotion.***

***This was clearly not the intention.***

***At the AGM section meeting, we assumed that, in normal conditions, 7 minutes without a fuel stop, could not be done.***

***This subject was not talked about in depth.***

***So I believed the clarification was done in the interest of the sport, to avoid drivers leaning out the engines to reach the 7 minutes.***

***However, to avoid precedents in the future, we have to follow the rule as it was minuted at the AGM.***

***So it is necessary to cancel that clarification.***

***We do hope drivers will use common sense, not to destroy engines by trying to go for 7 minutes without re-fuelling.***

***As EFRA 1/10th IC Track section chairman, I apologise for any confusion caused.***

Best Regards,  
Franky Noens
