The EFRA AGM 07 has decided, that EFRA has to go ahead to the future. One of the necessary steps was to change our internet provider to a cheaper but much better solution. With that we now have a new web address. EFRA will from now on be reachable with the URL:

<http://www.efra.ws>

During the year, some new possibilities will make the EFRA Homepage even more attractive and useful. Our former address www.efra.se will be working for a while parallel.

To be sure to get the latest information's from EFRA please go to

If you own a website, please change the link to EFRA accordingly. Thank you very much in advance.

With best regards
