EUROPEAN FEDERATION OF RADIO OPERATED MODEL AUTOMOBILES

Carlos Gomez, C/ Lezeaga, 8 - 6º D, 48002 BILBAO, Spain

Bilbao, Wednesday, 5 March 2008

Dear all:

The season is ready for its starting moment, our drivers and friends are planning their particular seasons and most of the national championships are as well on the starting moment.

The EFRA 2008 season is nearly here.

First race will be the GP of FRANCE at Lyon , 11-13 April, website for that race is <http://www.camse.net>.

Our second race will be the GP of GREECE at Iraklion, 9-11 May, website is <http://www.euros2008.gr>

Then, 13-15 June, we will arrive to the first European Championship of the year, the V European Championship B at Bergerac, FRANCE. Most of the information for that race is available at <http://www.usbergeracr.net>

Enclosed, if your country has applied for spots at that race, you can find your correspondent entry form. The entry form must be completed and mailed back a.s.a.p. and **always before the limit date** which for this event is 13 April 2008.

As far as I have a very long waiting list for this event, we will not wait more than the indicated limit date, after that date spots unused will be reallocated, so please, **RESPECT THE LIMIT DATE**.

If your country is not filling their spots, let me know it as well, as I have said we do have a long waiting list.

The month of July will start with our 28th European Championship A, Crete island at GREECE is waiting for us. The Website is the same as indicated before. <http://www.euros2008.gr>

Enclosed, if your country has applied for spots at that race, you can find your correspondent entry form. The entry form must be completed and mailed back a.s.a.p. and **always before the limit date** which for this event is 30 April 2008

Same mention comes here in regards of limit date, **please respect it** , otherwise your spots will be reallocated to any of the names in the huge waiting list.

Of course in regards of non filling spots the same message: let me know it as soon as possible.

Mufflers/pipes: There are more than 11 already homologated by EFRA and by the end of march that figure will be much more higher, 25 new mufflers will be on the 2008 list.

For sure this new mufflers will be in force at the EFRA GP of GREECE, there is no doubt about it, so please remind your drivers to buy the new pipes.

In the summer period we will have 2 international races, one at Czeck Republic in August and one at Austria in September.

We will close the season at sunny Spain in October, Alicante coast will be waiting ofr us at Orihuela, but first we will have to deal with the top events at our class.

If you have any doubt in regards of any of the procedures or new regulations just consult me, I am always at our member countries disposal.

With my best regards

Your RC friend

Carlos Gomez
