TRANSPORT OPTIONS

- As the world will descend on South Africa for the 2010 FIFA Soccer World Cup, construction work at all airports are making travel within these areas very difficult – we can therefore provide a “MEET AND GREET” service from the International airport to the relevant accommodation venues.
- Public transport is not readily available due to the vast spacious areas in South Africa thus we recommend that car hire is used. This can be arranged for as little as \$25 per day for a basic car or \$ 30 per day for a car with air conditioning.
- Foreign airports are not always user friendly but this is not the case with O.R. Tambo International Airport (Johannesburg) – it is of a 1st world standard with modern and safe luggage systems.
- No permits or taxes are due on your racing equipment when accompanied with you on your arrival.

TECHNOLOGY

- Cellular telephone (Mobile phone) networks are readily available. Local service providers include Vodafone and its worldwide partners.
- Internet access through Vodafone is available on request – with prior notification through the TRAP organizers as not all accommodation venues have internet access.
- Internet cafes are located at central points, for example shopping centres – these can be used for a nominal fee.

ACCOMMODATION OPTIONS

- Accommodation ranges from 5 STAR to 3 STAR hotels as well as guesthouses / bed & breakfasts / lodges which include breakfast daily. 3 STAR graded hotel rates can start from \$60 per night (eg. Town Lodge) whilst 4 STAR graded hotel rates are approximately \$200 per night (eg. Centurion Lake Hotel). The 5 STAR Sheraton Hotel Pretoria will cost you approximately \$300 per night.

LEISURE & SHOPPING

- Shopping Malls are plentiful throughout Pretoria to name a few - Brooklyn Mall, Centurion Mall and Menlyn Mall. Parking at these malls is conveniently located within these centres.
- Also at these malls, you will find popular worldwide food chains like McDonalds, Kentucky Fried Chicken (KFC), Nando's and our local brands Ocean Basket, Bugatti's & Mugg and Bean.
- Various night life activities are available in close proximity including ladies bars and night clubs.

WHAT DOES SOUTH AFRICA HAVE TO OFFER ?

The Kruger Park is BIG - the core park is about the same size as the country Israel, and it is joined (without fencing) to another park just as large across the international border with Mozambique. Game lodges are plentiful.
