Re: Stage one Report

Dear Organiser,

with a certain surprise we have read your stage one report. Also EFRA has told you to close the racetrack one week prior to the Official Dates according to the new IFMAR Rules, your time schedule for that event still keeps the track open for WC Competitors before Wednesday 17th.

IFMAR already told you, that this was not the idea of the new IFMAR IC WC duration rule. The IC Chairman of IFMAR Sander de Graaf has stated in his letter from March 24th, (add on) that it is the wish of IFMAR to close the track for all 1/5th activities in preparation of the Worlds minimum one week prior to the official date. He also explained that otherwise IFMAR will use it's right according to the General Rules 1.1 to make a final decision.

As EFRA is the responsible host block towards IFMAR, we therefor advise you to close the racetrack in Lostallo for all activities in Large Scale racing, from August 8th. That must include also any type of activities from large scale manufacturers using the track for tests of tyres, engines and other equipment that might be used during the IFMAR World Championship.

We hope, that you will understand this decision that was made for the running of a fair and sportive event for all drivers around the world.

On behalf of the Large Scale Section
on instruction of the Large Scale Chairman

With best regards

Wolfgang Petermann
