Re: 3rd IFMAR World Championship 1:5 Touring Cars in Lostallo, Switzerland

Dear all,

the IFMAR Worlds in Lostallo were perfectly organised by MRTM and the Swiss Federation.

141 drivers from all 4 IFMAR blocks participated. Unfortunately the weather was not always with the organiser and the drivers. Due to some rain showers, practice was not always possible and also the final day was wet.

But in the end we had an all EFRA drivers final composed by 10 drivers from five EFRA Member Countries. After one hour of rain racing, Ian Oddie from BRCA finished first. So BRCA now has two IFMAR World Champion.

I apologise for the poor quality of the awards presentation picture.

A full report will be made later by the EFRA Chairman Wolfgang Stumpf. You will also find pictures of the event within some days in the GALLERY

With best regards

Wolfgang Petermann
