## EUROPEAN FEDERATION OF RADIO OPERATED MODEL AUTOMOBILES

### EFRA 1/12 Electric Track EC 2010 - Hinckley, UK

I have received several questions regarding the timetable for the 1/12 EC in Hinckley. The timetable that has been proposed by the organisers was done with my full knowledge and agreement.

The meeting needs to expand to allow reasonable start and finish times for both the racers and organising team.

We will allow racers to book in for the meeting up until the start of racing on the Friday morning, so any racers that cannot make the trip to the meeting until Friday morning will still have chance to race at the meeting.

The organisers have informed the country representatives at the last EFRA AGM that this will be the timetable, no complaints were received.

The timetable can be found on the event's website - [www.ec2010.org](http://www.ec2010.org)

I look forward to seeing you all in March

Russ Giles
