EUROPEAN FEDERATION OF RADIO OPERATED MODEL AUTOMOBILES

2012 EFRA EC 1/12 Electric Track Spec motors

MRC Bruck Austria 9-11 March 2012

It is with great regret that EFRA has to announce the cancellation of the above event

We have received only 26 requests for places at this event, and after discussion with the organising club, it became clear that the meeting is not a viable proposition with so few drivers.

EFRA are fully committed to the 1/12 Electric Track class and will be doing all we can to help make the 2013 EC in Finland a great success

Regards

Russ Giles
