Travel Information

Due to a large event being run at Santa Pod from the 20th to the 22nd July access to Euros venue may be disrupted during this time.

Over 250,000 visitors are expected to visit Santa Pod for the annual European gathering of VW's (Bugjam).

To ease your entry, no later than the 13th July I will email you all an access notice which you will need to print off and have in your vehicle just in case you encounter access restrictions on the entry to Airfield Road..

It is recommended that you **do not try and arrive for the Euros between 14:00 --- 20:00 on the 22nd July as this is when most of the 250,000 attendees will be leaving Santa Pod.**

2012 Euros Raffle and Event Sponsorship

Raffle prizes, trade mall and event banner sponsorship opportunities are still available. If you are aware that your sponsor manufacturer has not reserved their space then please ask them to contact Clive (sponsorship@2012euros.eu), also ask them to contact Clive too if they wish to donate towards the events raffle.

Please note that only authorised traders, signage, flags and banners will be in operation at the Euros. Further details on the 2012 Euros are on the events website at www.2012euros.eu

On behalf of the British Radio Car Association's Large Scale Off Road Section I look forward to welcoming you to the Nene Valley Raceway facility in Northamptonshire and wish you a safe journey to the meeting.

Regards,
Darren
