*Dear Sir/Madam,*

On behalf of EFRA it is my pleasure to invite representatives from your company to participate at a manufacturers meeting to be held in connection with the EFRA AGM 2012.

All through EFRA activities it is of general interest for all manufacturer of RC products that we have once again decided to only present this invitation to our Associate members as a benefit for their support to EFRA.

Other manufacturers are welcome to attend, and speak, during this special meeting but at the AGM and Section meetings they are not authorized to forward any proposals.

The purpose of this meeting is to have an open discussion linked to RC activities in general for the future. No decisions will be taken during the meeting but ideas will give the EFRA board valuable grounds considering actions for the future.

The date for the 2012 EFRA AGM is set to be held 3<sup>rd</sup> – 4<sup>th</sup> of November and the venue will be Hotel Holiday In, Brussels, Belgium.

The manufacturers meeting is scheduled to be held during the afternoon Friday the 3<sup>rd</sup> of November with start at 13.00 hour and estimated to finish at 17.00 hour..
