EUROPEAN FEDERATION OF RADIO OPERATED MODEL AUTOMOBILES

Willy Wuyts Herentalsesteenweg, 20 2220 Heist op den Berg

Dear Sportfriends,

I would like to address a clarification regarding the availability of the mandatory tires for the free practice in Gubbio.

Based on the reservations done by the single federations we ordered the total amount of needed tires (free practise+official race).

These tires will be available only for the participants of the Euro and nobody else.

Drivers/federations that need additional tires for the free practice need to buy them at the present dealer at the track.

These tires will be sold at a "regular" price and not at the "special EFRA sponsored" price.

Thanks for your understanding,

Josef Dragani
