## EUROPEAN FEDERATION OF RADIO OPERATED MODEL AUTOMOBILES

January 22, 2014

Changing status of the 1/10<sup>th</sup> EC-B in Madrid

Dear Sport Friends,

Due to the low numbers of entries for the 1/10<sup>th</sup> Euro-B in Madrid, the organizer in collaboration with the EFRA executive committee decided to change the status of this European Championship to an:

### **Open Entry European Championship (EC-B) 2014**

We hope that the changed status of this event will help to increase the numbers of drivers attending it.

The entrance and tire fees have to be paid directly by the drivers to the organizing club and not through the federations and EFRA channels.

The entrance fee will be max. 50,- €.

The EFRA license is still needed.

The price for the controlled tires will be announced as soon as we select a supplier for this event.

Drivers with A-License and finalists from other classes from the 2013 EC's are not allowed to participate at this Euro B

Further details will be published in the next upcoming weeks.

Best Regards,  
Josef Dragani
