EFRA Touring Car BodysHELLS List

All Touring car bodies shall be *accurate* 1/10th scale representations of full size touring cars. 2 and 4 door versions, as raced in International 2Lt Touring Series, are allowed. No GT or sports car bodies allowed.

The listed bodysHELLS have been approved for use in EFRA Touring Car Events and must run to the 115mm minimum roof height. The list will be updated for any new bodysHELLS that meet the above criteria.
