Dear Sport friend,

Enclosed the additional homologated mufflers for the 2006 season.
Off-Road will only be using the 3-chamber mufflers, starting this season.
I will try to get more reference numbers from the manufacturers and will add them during the season.
For 200mm everything till number EFRA 2641 will be valid and for 1:8 all the mufflers till EFRA 2059, including the EFRA 9901 are valid. The 235mm class with the 2.5 cc engines still has EFRA 2501 till EFRA 2505 as a valid muffler.
