Ijmuiden, 2008-30-03

Dear Drivers,

unfortunately it has taken some more time to get this list ready for the 2008 season.

It took some time to convince all manufacturers that the EFRA number was necessary to be printed in the corner of the body.

It also means that for all EFRA races this number must be visible. This is valid for all bodies, even the old ones on the list.

So make sure that if you buy a body it has the EFRA number in it. Obviously there are still a lot of bodies in stock without number, but these are not valid for EFRA races.

Regards,  
Sander de Graaf
