Race Tires:

8 Sets of mandatory tires are already included in the entry fee. To keep things as easy as possible we will have a ticket system for the controlled tires. On Wednesday you will receive 8 tickets for the race tires. When going to the tire mounting area you will change one ticket into one set of tires. If you damage a tire while racing, you will also have the possibility to buy another set in the pit lane. You can change as many tickets as you want but once tires left "our hands", they can not be given back. If you bump up and you need more tires you will be able to purchase some more sets.

Practice Tires:

While making your registration you can order up to 20 Sets of tires for practice. Practice tires also need to be paid in advance. Please use this option, Tires for practice will be limited.

Payment

The entry fee and the practice tires you order, need to be paid after you have made your registration. Entries without payment are not valid and can't be considered when it comes down to the limitation of entries. You can either pay via bank transfer or via Paypal. Please calculate the overall amount on your own.
