Welcome to Croatia

AMK "V-MAX"-CLUB

The club is based in the city of Velika Gorica, 15 km SE from Zagreb, the Croatian capital.

Since 2000, Amk "v-max" has been organizing club events, national and international races in different off-road classes on our track at Velika Gorica's city stadium.

The track site is fully compatible with all EFRA standards for major events (easy access, large parking, camping area, toiletsetc)

Track layout was originally designed for large scale off-road, but we are currently redesigning it in 1:8 fashion, for an even more exciting experience.

Our club members and staff has already participated in the organization of a great number of important races, Efra GP's, EC's, nationals etc.

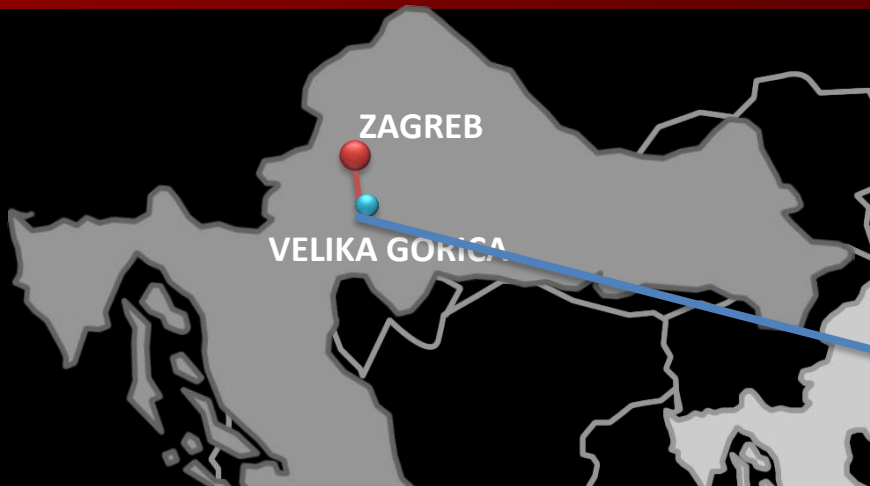

We successfully organized the 2011 European LSOR Championship.
