INTERNATIONAL FEDERATION OF MODEL AUTO RACING

April 25th, 2017

Dear Tire manufacturers / President Club AMAC,

IFMAR has reviewed all the offers that were send to us regarding the 2017 IFMAR World Championship in France.

After reviewing and consultation with the organizing club the manufacturer who will deliver the tires for this 1:8th IC track World championship will be:

`MATRIX`.

Where there is one winner it means that there are also losers. Unfortunately we only allow one controlled tire so we could only choose one manufacturer. We hope you understand our decision and thank you for your offer.

Next year there will be another IFMAR event in Florida / USA when the 1/10th Touringcar class will be organized over there and we hope that you will send in your bids also for that event.

Sincerely Yours.

Sander de Graaf
IFMAR IC Section Chairman.
