EFRA GP SERIES 2017 report (2017 EGPSR)

Dear sport friends,

EFRA GP series 2017 has done. It has been a new project in our section and, as a new project, some points should be improving for next year but, in general, balance has been positive. When we started to think about EFRA GP SERIES in 2016, I was thinking about 3 main goals:

1. Make a race with aim to try get close from new drivers who they didn't get contact with EFRA races before.
2. Make a race interesting for top level drivers.
3. Make a race with friendly atmosphere but keeping EFRA standards.

Now, I can say that targets in 2017 with EFRA GP SERIES are done. As a main figures EFRA GP SERIES has got:

- 46 total drivers participating in 1/10th IC 200mm
- 88 total drivers participating in 1/8th IC
- 144 total entries in combined races in EFRA GP SERIES
- 12 countries represented

Behalf of EFRA, I would like to thanks to all drivers to participate in this new series and I hope that next year we can share another amazing good races, with nice venues and great atmosphere on the track like this year.

Congratulations to DANIELE IELASI (WRC/IELASI TUNNED/ENERGY) for his EFRA GP SERIES title in 1/8th IC and congratulations to ALESSIO MAZZEO (XRAY/GIMAR/MLC) for his EFRA GP SERIES title in 1/10th 200mm only racing in Cassino.

In following link, you can find results from 2^o round of the EFRA GP SERIES in LOSTALLO:

http://www.efra.ws/wp-content/uploads/2017/06/EFRA%20GP%20serie%201_8%20&%201_10.pdf

Finally, you can find EFRA GP SERIES Final Ranking list in 1/8th IC and 1/10th IC 200mm.

Now, biggest and most important races in EFRA are coming. EFRA European Championship 1/10th 200mm in Mulhouse (France) and IFMAR WC 1/8th IC in Monteux (France) will provide us a great spectacle on the track. See you on the track.

Javier Garcia
