EUROPEAN FEDERATION OF RADIO OPERATED MODEL AUTOMOBILES

Willy Wuyts Herentalsesteenweg, 20 2220 Heist op den Berg

Dear friends,

Soon, the first EC race in the new season will take off in Sittard, with the 1/12th Class.
If you have not done so, please prepare your base order, and start registering your drivers,
as you also can do for the other EC's.

To clear out some of the misunderstandings about allocations made at the AGM, and
drivers entries for the EC's:

Allocations that are made at the AGM, can be changed till 31th of January.
These are **ONLY** your ensured places.

As long as the EC's **ARE NOT** full after that date, we do still accept entries, after consulting
the chairman.
EFRA has not charged anything extra for late entries (re-allocations) for many years.

For 40+EC:

The change of registering for the EC 40+ races through the federations, should not hinder
drivers to participate at such races.
The **only** difference is, that those drivers do not longer register themselves on MyRcm or
similar, but through the federations.

The former "Open" EC's 40+ in all classes, should have the flexibility for registering late as
before.

Best Regards,

Willy Wuyts,

General Secretary
