9th June 2022

Dear Large Scale Touring Car Racers,

As per the Efra rule 5.3.7 which states the following;-

For European Championships, each manufacturer must nominate 4 compounds of wheels-tyres-insert to the EFRA Chairman a minimum of 28 days prior to the start of the event.

One of the nominated compounds must be a wet weather tyre. These must be available through distributors and the list will be published on the EFRA web site.

Only these tyres will be allowed to be used during timed practice, qualifying and finals.

The following tyres have been nominated for use at the European Championship in Fiorano, 11th to 16th July 2022.

GRP Nominated Tyres

Dry conditions:- XM1, XM2, XM3

Wet Conditions:- XR1

PMT Nominated Tyres

Dry Conditions:- Ultra Soft Slick, Super Soft Slick, Soft Slick

Wet Conditions:- Eagle 400

Please note, this is applicable for the touring car class only, not the F1 class.

Yours sincerely, *Ian Oddie*
