AGM2021

Alicante, 04<sup>th</sup> October 2021

**Dear Sir/Madam,**

On behalf of EFRA, we hope that you and your family keep safe and healthy. It is my pleasure to invite you, your National Federation colleagues and Associate Members representing RC Industry to participate at the EFRA AGM 2021. This year will be virtually again, because we had another year of travelling restrictions due pandemic COVID19.

We hope, as decided 2019 EFRA AGM, to come back to Malmö (Sweden) for the 2022 EFRA AGM. Although the situation in Europe has improved in last months, with some of the countries leaving travelling restrictions, important evolution of vaccination and implementation of Green Pass in EU countries, the EFRA Executive Committee in agreement with rest of the EFRA Board decided to make the meeting virtually through ZOOM application and eventually to re-schedule the meeting in Sweden to 2022 in order to be sure that all members can attend the meeting and also to help with the financial implications of attending the meeting in person.

A meeting will be held on Friday 5<sup>th</sup> of November before lunch time with Associate Members and some guests to talk about the current situation of races, feedback of RC Industry, thoughts about next RC season and EFRA Development Plan. Also Friday evening at 20.00 CET an EFRA room will be open in ZOOM for an informal chat with Federations representatives.

In addition to the details concerning the AGM you will also find enclosed forms relating to the administration aspects of the meeting.

The Treasurer, Mrs Jacqueline Aebi, has prepared a virtual registration in our website. If you have any questions concerning the documentation, please do not hesitate to contact her or the secretary by mail.

Together with the rest of the EFRA Committee board I am looking forward to meet you at the coming EFRA virtual AGM.

Yours sincerely

Javier Garcia  
President
