Heist op den Berg, 19 July 2022

Dear Sir/Madam,

On behalf of EFRA, I have the pleasure to invite you to participate at the preparations of the EFRA AGM 2022.

The EFRA AGM will be held in Brussels, Hotel Van der Valk on 4-6th of November 2022.

More details regarding the AGM will be forwarded in the AGM Package 2, that I will send to you later this summer.

It is now time to prepare your proposals and applications etc. to our forthcoming AGM in November.

Within the Executive Committee, we are now preparing for the meeting, and we invite all Member Federations and Associated Members, to submit to us any proposals for new, amendments or deletions to either the Constitution, General or Technical Rules.

In addition, we would welcome any proposals for candidates to stand for positions on the EFRA Committee.

The Board Committee will have a preparation meeting, so it is necessary to have all the information available for us to review at that time. No proposals will be accepted after **the 11th of September 2022**.

Remember that the meeting will not discuss proposals from the floor, and only those items advised, will be voted upon by the delegates present.

Should you have any questions, please do not hesitate to contact me either by telephone, or E-mail.

The proposal tool is now opened on the EFRA webpage administration pages, after login, for those who are authorised.

You can use that tool, for **General matters and Proposals**.

The manual of how to use it, can be found when you open the tool, and is available as a pdf in this package.

Yours sincerely,

Willy Wuyts

EFRA General Secretary
