STAGE 1 REPORT

VENUE INFORMATION

Hobby Action RC Raceway is located in in Chandler, Arizona a suburb of Phoenix, Arizona, and approximately 10 miles from Sky Harbor International Airport.

We are an indoor facility over 20,000 square feet with approximately 150 pit spaces and a track area of 100'x75'. The facility is completely air conditioned with a fully compliant accessible driver stand that is 50' in length. An automatic watering system will be used to keep the surface consistent as possible and 2 large video score boards will display timing and heats.

The track is owned and operated by Larry Tom and Nick DoBas, with a staff of 8 employees. Together with the staff we have hosted a ROAR National Championship along with multiple Desert Classic, Kinwald Klassic and JConcepts national series events.
