In general, you can select "DEUTSCH GORITZ" in the city search to look for hotel or guesthouse near the route.

If event is for I.C. (gas) cars, advice on availability of fuel supplies at the venue.

- We agreed to use 16% Nitro fuel for the race!
- Regarding supply of fuel there is not planed a local support yet
- Should anybody need support, please let us know with anough time in advance!

Voltage used in host country. Drawings of plug types.

- In Austria we are using for normal power supply 230V
- High Voltage is 400V
- Host will provide as much as possible power supply

- Voltage 230V

- High Voltage 400V
