1. Location

Robertsbridge Community College, TN32 5EA

The venue has a separate hall for the track and the pits, the track is 560sq meters, with a separate pitting hall for at least 100 drivers.

The club is very experienced, running numerous National meetings and were a significant part of the organising team for the 2020 IFMAR 12th Worlds, they will be supported by the BRCA section committee.

Robertsbridge is a village a little north of Eastbourne on the south coast of the United Kingdom, access from Europe is simple via various different channel crossing routes.

2. Event format, timetable and information

Format & information

- The competition is for 1/12th LMP Cars to 13.5 Spec & Modified Classes - rules to be distributed by EFRA.
- All races will be eight minutes in length
- The racing surface will be Track GT carpet measuring approx. 35M x 16M
- Track markings will be square white tube, carpet overlay and apex markings.
- Race timing will use the My Laps system.
- The pits will have tables and chairs for each driver plus mechanics as required.
- The technical inspection service will begin on Thursday during registration. Items will be checked, marked and sealed as per EFRA Rule requirements.
- Nominated Additive is Spider Grip Blue.

Robertsbridge Community College & Sports Hall
Knelle Road
Robertsbridge, East Sussex,
TN32 5EA

From North using the A21:-

Exit the A21 at the Northbridge Street roundabout 3rd Exit heading towards Robertsbridge. Stay on Northbridge Street, into The Clappers and onto the High Street, looking out for Station Road on the right following signs for the Railway station. After turning right onto Station Road, continue over the railway crossing onto Brightling Road taking the second exit onto Knelle Road. Follow Knelle Road to the end where Robertsbridge Community College is located.

From South using the A21:-

Exit the A21 onto George Hill heading towards Robertsbridge (If you miss this take the first exit on the next roundabout and follow the instructions above). Stay on George Hill, looking out for Station Road on the left following signs for the Railway station. After turning left onto Station Road, continue over the railway crossing onto Brightling Road taking the second exit onto Knelle Road. Follow Knelle Road to the end where Robertsbridge Community College is located.

When you arrive at the Community College head around to the right following the road up and round to the left for parking. Then follow the road a little further and the hall is down the steps.
