Wilen b. Wollerau, 13 October 2023

Welcome to the EFRA AGM 2022/2023

On behalf of EFRA, I would like to invite you to the EFRA Annual General Meeting 2022/2023, which will take place this year in Malmö from 17-19 November 2023. The best way to get to Malmö is to fly to Copenhagen and then take the train which will take you directly to your hotel in about 20 minutes. The date has been chosen so late because of the World Championships in Osaka, Japan, where we from EFRA will also have several representatives there to support the European drivers.

This meeting will be a face-to-face conference and you will be unable to attend virtually as we attempted last year. The resources to have a "hybrid" meeting are exceptionally costly and we would much rather invest this money in you as the organiser or the drivers.

Back in normal mode, we will discuss changes to general rules as well as rules specific to your classes and present some important news EFRA is planning to consolidate for the future. With this invitation you will also receive all the necessary documents. We are counting on you to discuss the information in Packages 1 and 2 within your federation and your members and to bring collective consensus to our meeting.

The Federations appointed to being the auditors, should be available on Friday at about 17:00 to check the accounts, after this the Welcome Dinner will take place.

We look forward to welcoming you at our Welcome Dinner at 19:30, where you are invited and look forward to seeing you there.

Please complete the registration form for your room requirements during your stay. You will then receive an invoice for the AGM. Let us, Secretary and Treasurer, know if you have any questions or special requests regarding the stay, we will be happy to organise this.

Now I can only say on behalf of the Executive and the Board that I am looking forward to welcoming you at the next AGM.

Sincerely, your EFRA President

Jackie / Jacqueline Aebi
