

European Championship 2024 Electro on-road TC at Roeselare Belgium

- Club RCR (Racing Club Roeselare) – Kachtemsestraat 352
racingclubroeselare@gmail.com
 contact +32483188773
- Contact is Nico Vandewynckele (+32483188773)
racingclubroeselare@gmail.com

- Track is 268m long – width 35m and 90m long
- The venue is next tot the highway E403 (Zeebrugge and Doornik)
 There is a motorway exit at 5 km from the track (Roeselare harbour).
 We are 125 km away from the airport Brussels and 54 km from the airport Ostend and 143 km from the airport Charleroi and 53 km from Lille (F) airport.
- In the vicinity of the circuit (5 km) there is also a possibility of camping.
- Amb countingsystem will be used with two loops.
- Race officials will be announced later.
- Practise facilities will be open till two weeks before the event. If teams want to make a reservation please contact us. The other days the track is open to everyone but please notify us in advance so that we can grant you access.

- Warm-up race: This race will be organised in the month of June.
- EC will be organised from 22-25 august 2024
- Hotels nearby: Mercure at Westwing Park, Kwadestraat 149 at 8800 Roeselare (<https://www.mercureroeselare.be/>)
Parkhotel: <https://www.phr.be/>
De Bonte Os: <https://www.debonteos.be/en>
But there are many more.
- Voltage is 240v at the track and we use european plug types

- Only registered drivers and one mechanic will be allowed in the pit area.
- Web address is <https://www.racingclubroeselare.be/>
- We were allready host of the Efra EC B in 1/8 and 1/10 nitro in 2007 on our previous track.

Hope to see you soon.
