Via Antica Cava n. 2

41042 Fiorano Modenese

#### **SUBJET: APPLICATION PRESENTATION FOR EFRA GP, EUROPEAN CHAMPIONSHIP AND WORD CHAMPIONSHIP**

In Fiorano Modenese (MO), Via Antica Cava n. 2, at the Jody Sheckter track facility.

New Minicar Fiorano è un'associazione culturale sportiva no-profit nata ufficialmente nel 2023, per ripristinare la funzionalità dell'impianto, realizzato agli inizi degli anni 90, dai fondatori Angelo Gesualdi e Pietro Corradini. New Minicar Fiorano é costituita da un gruppo di automodellisti sportivi, attivi già da diversi anni nel settore, partecipando a diverse manifestazioni anche di carattere nazionale. Integrando sinergicamente le diverse esperienze, lo scopo è quello di promuovere e diffondere, nella realtà giovanile in particolare ma non solo, le diverse forme delle categorie, aggregazione sociale, conoscenze tecniche meccaniche, elettroniche, aerodinamiche e manualistiche.

New Minicar Fiorano is a non-profit sports and cultural association officially founded in 2023 to restore the functionality of the facility, built in the early 1990s by founders Angelo Gesualdi and Pietro Corradini. New Minicar Fiorano is made up of a group of sports model car enthusiasts who have been active in the industry for several years, participating in various events, including national ones. By synergistically integrating their diverse experiences, the aim is to promote and disseminate, particularly among young people, the various forms of professional development, social interaction, and technical knowledge in mechanics, electronics, aerodynamics, and manuals.

#### **Additional Requirements:**

**Track and loop layout, direction of travel counterclockwise**

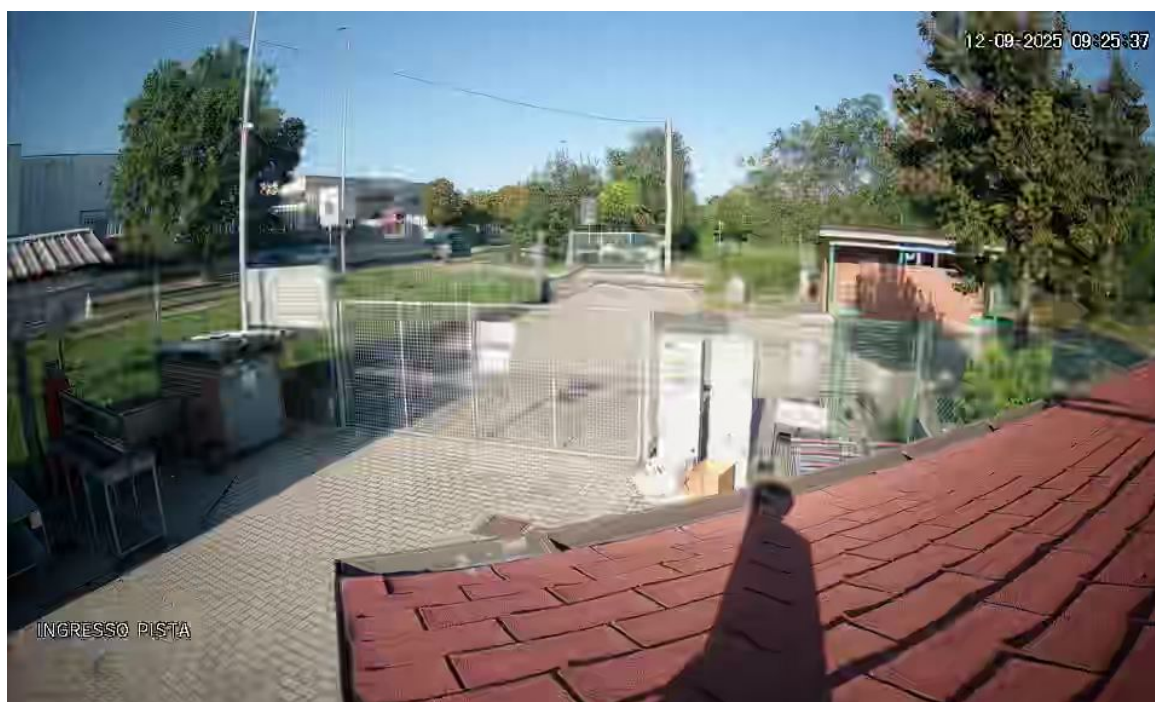

The facility has a car parking area and an equipment loading and unloading area.

**The facility has a camper area with 35 spaces, with water, 230 volt electricity and services.**

**The facility allows entry for emergency vehicles.**

### **Pit area box**

### **Food rest areas**

**Rostrum**

Timekeeping area

### Night panorama

The association is working to improve further services and renovate areas to facilitate use of the facility. The asphalt was recently resurfaced, and further solutions are being explored. We have begun updating the IT systems.
