2026**

VILA REAL - PORTUGAL

Founded in 1272, Vila Real (which means 'Royal Town') is a thriving agricultural centre ideally situated on an upland plateau ringed with mountains. Over the centuries, Vila Real's strategic location at the juncture of the Douro Valley and Trás-os-Montes provinces in the heart of northern Portugal has helped it to play an important role in the economy of the region.

Vila Real is one city located in the north of Portugal,
100 km far from Porto,
and 400 km far from Lisbon (the capital).

The local Aerodrome met daily
direct flights to Lisbon,
capital of Portugal.
