11th February 2026

Dear Friends,

As we begin a new racing season, I would like to thank each of you for your continued support and cooperation. The work carried out across our federations, host clubs, officials, and volunteers over recent months once again shows the strength of the EFRA community and the shared passion that drives our sport forward. As always, a great deal of work happens behind the scenes to prepare for the season, and that effort never goes unnoticed.

After a productive winter period, much of the groundwork for the 2026 season is now complete. From host venue preparations and the publication of event information to ongoing improvements in our organisational standards, your cooperation has played an important role in ensuring we are ready to get the racing year underway. Work is also ongoing regarding the incoming motor homologation, and we expect the updated 2026 handbook to be completed and published by the end of February.

Over the past year we have continued refining event documentation and contracts to improve clarity and consistency across all championships. At the same time, progress in our media activity and presentation has helped strengthen the visibility of EFRA events and support the professional standard we aim to maintain both on and off the track, as we continue working to further raise EFRA's international profile.

We have also worked closely with federations to keep referee, timekeeper, and administrative details up to date. Keeping this information current is essential to the smooth operation and coordination of our championships, and I would like to thank everyone who has contributed to this process.

With the race calendar now set and preparations well underway across Europe, I am very much looking forward to seeing many of you trackside throughout the year. These events are not only about competition, but also about strengthening friendships, sharing experiences, and continuing to build the positive spirit that defines our community.

If you have any questions, suggestions, or simply wish to discuss any matter, please feel free to come and see me at any event - it is always a pleasure to speak with you. You are also very welcome to reach out at any time via email at [secretary@efra.ws](mailto:secretary@efra.ws).

Thank you once again for the trust and support you continue to show. On behalf of the EFRA Board, I wish everyone a successful, enjoyable, and well-organised racing season ahead.

Sincerely,

Mark Rumble

EFRA General Secretary
