

Dear Driver,

Please find below the official information regarding **Tyres & Tyre Additive** and an **approximate timetable** (subject to modification) for the **European Championship Electric Onroad**, which will take place from **5 to 9 August 2026** at the LMCC facilities in Luxembourg. All information provided also applies to the **Warmup Race**, scheduled from **10 to 12 July 2026**.

1. Tyres – Brand & Pricing (all taxes included)

The following tyre brands have been selected for each category:

Category	Tyre	Set Price (4 pcs)	Rain Tyre	Set Price
Modified	Matrix D36	29.00 €	Shimizu D01J	50.00 €
Spec	Hudy A2-36 Ref: 803067	25.00 €	Shimizu D01J	50.00 €
FWD	RIDE 36086	24.00 €	Shimizu D01J	50.00 €

These tyres will be used for both the **European Championship** and the **Warmup Race**.

2. Tyres – Maximum Quantities per Driver for Warmup

Category	Qualification	Finals	Maximum
Modified	3 sets	3 sets	11 sets
Spec	3 sets	1 set (+2 sets for A Finalists)	9 sets
FWD	1 set	1 set	7 sets

No Rain tires will be available for the Warmup Race.

All tyres must be pre-ordered **at least 8 weeks before** the respective event.

3. Tyres – Maximum Quantities per Driver for EC

Category	Qualification	Finals	Rain
Modified	3 sets	3 sets	1 set
Spec	3 sets	1 set (+2 sets for A Finalists)	1 set
FWD	1 set	1 set	1 set

All tyres - **except** the 2 additional sets for **Spec A Finalists** and the **Rain Tyres** - must be pre-ordered **at least 10 weeks before** the respective event:

- **Warmup Race order deadline:**
May 15th 2026
- **European Championship order deadline:**
May 31st 2026

The maximum tyre quantities and tyre types will be used during the Warmup Race as during the European Championship in August.

Orders must be placed via email to ec2026@lmcc.lu and Payments will be made via **PayPal (option: friends & family)** to: circuit@pt.lu after receiving the facture from the club.

Please note that **Rain Tyres will be available directly at the track** during the event and do not require pre-ordering.

4. Tyre Additive

- **Warmup Race:**
Only the tyre additive MR33 V3 is permitted. This additive must be purchased with the tires for the event.
- **European Championship:**
Only the tyre additive MR33 V3 is permitted. This additive will be available to all drivers throughout the event.

The additive is available for a price of 15 € at the Warmup race and will be marked for this event.

5. Provisional Timetable for the European Championships (subject to modification)
