Dear Sir/Madam,

On behalf of EFRA, I am pleased to invite you to participate in the preparations for the EFRA Annual General Meeting (AGM) 2026.

The AGM will take place at the Van Der Valk Hotel Brussels Airport in Belgium, from the 6th to the 8th of November 2026.

Attached to this mail is also the voucher for the hotel and event attendance, please complete and return this by the **17th of October 2026**.

Further details regarding the event schedule will be provided in **AGM Package 2**, which I will send to you in due course.

We kindly ask all Member Federations and Associated Members to begin preparing their proposals, applications, and other relevant submissions for the upcoming meeting. The Executive Committee is currently working on the agenda, and we welcome proposals for additions, amendments, or deletions to the Constitution, as well as to the General and Technical Rules.

In addition, we encourage nominations for candidates to stand for positions on the EFRA Committee.

To allow sufficient time for the Board Committee to review all submissions, please ensure that your proposals reach us no later than **15th September 2026**. Kindly note that no proposals will be accepted after this date.

Please also be reminded that proposals from the floor will not be discussed during the meeting. Only those items submitted in advance and included on the agenda will be eligible for discussion and voting by the delegates.

Should you have any questions, do not hesitate to contact me via email.

The proposal submission tool is now available on the EFRA website under the administration pages (after login for authorised users). This tool can be used for submitting general matters and formal proposals. A user manual is accessible within the tool and is also provided as a PDF in this package.

We look forward to your active participation.

Sincerely,

Mark Rumble

EFRA General Secretary
